

*Introduction*

Your challenge as a summer camp merit badge counselor is to see that the Scouts who attend your session have the best opportunity to learn all about camping. It is important that they have a positive experience. This lesson plan is designed to help you plan a logical, high-quality program. You may have to use a slightly different approach in presenting the material based on your camp resources and facilities.

*Resources*

Be sure to utilize all the resources available to you. State and federal agencies or other organizations can provide you with a variety of materials and even personnel to help you in presenting the Camping merit badge program.
